Fergus-Elora District Soccer (FEDS) 2019 Outdoor Youth soccer program will commence in May and we are seeking local sponsors for their support.

FEDS is a volunteer-run, not-for-profit organization that relies on community support to help finance soccer programs for our players. Sponsorships received from community partners help offset the cost of uniforms; soccer equipment; player and referee development; coach clinics; annual field day; and provide financial assistance for those that need support.

Sponsors will have their company name printed on the team jersey. As well, the company name, logo and email address will be posted on the FEDS website.
